

Newbble

Newbble is a self-funded Limited Liability Company in the State of Delaware.

Newbble.com is the official social network designed for the cultivation and interactive development of 'early stage' business ideas.

At Newbble, we recognize how important it is for an early stage startup to receive the right guidance in order to succeed. As a result, the Newbble Founders offer **FREE** one-on-one coaching to qualified startups. The Startup Coaching includes:

- ✓ Startup Idea Development
- ✓ Marketing Research
- ✓ Business / Marketing Plan Creation
- ✓ Finding Funding
- ✓ Business Development
- ✓ Marketing Strategy
- ✓ Product / Service Launch

Check Out our **FREE** eBook "[How To Launch A Startup From Scratch!](#)"

Coaching Outline

Startup Idea Development

The Newbble Team will **guide** startup teams in finding the idea that is most profitable and that adds the most value to their target market.

Marketing Research

The Newbble Team will help startup teams narrow their target market and **collect** the necessary data needed to validate their business assumptions.

Business / Marketing Plan Creation

The Newbble Team will help startup teams **create** a solid business or marketing plan, which they will need to recruit more talent or raise funding.

Finding Funding

The Newbble Team will **equip** startup teams with the right pitch and **connect** them with investors in their startup ecosystem.

Business Development

The Newbble team will **teach** startup teams how to successfully implement a marketing or partnership strategy to reach potential customers.

Marketing Strategy

The Newbble team will **expose** the most effective social media tools used in the industry to reach maximum audience.

Product / Service Launch

The Newbble team will **mentor** startup teams from prototyping their idea to successfully building and launching their first Beta.

About Newbble

Our Mission Statement

Newbble's mission statement is to provide the ultimate startup experience to Aspiring Entrepreneurs who do not know how and where to start with their business ideas.

Our Team

Rolande Sonya Mbatchou is the **Chief Executive Officer** at Newbble. Rolande has mentored startups on how to grow their ideas from scratch and acquire customers.

Drakia Wilkins is the **VP of Business Development** at Newbble. Drakia has a background in Commercial Real Estate, where she has mastered business development, sales, networking, and business pitching.

Kevin Leger is the **VP of Product Development** at Newbble. Kevin is fascinated by science, multimedia and all kinds of technology. He is an expert at Web and Mobile Design.

Daniel Mbatchou is the **Lead Developer** at Newbble. Daniel is a Microsoft Certified Professional Developer and Microsoft Certified Solutions Developer - Web Applications.

Coaching Application

Coaching Rule

You must be committed to your Startup Idea

If we do not hear back from you after a full month (after our team has made an effort to reach you), you are dismissed from the coaching program.
