

Newbble

Newbble.com is designed to build and strengthen startup ecosystems.

Newbble.com is a social network that connects Aspiring Entrepreneurs with their startup community to launch their ideas. If an entrepreneur is looking for:

- Seed funding,
- Services needed to build their startup,
- Co-Founders with the right skills to join their team,
- Or organizations that can support the development of their business.

The Newbble technology matches them with the services and people that can meet these needs.

University Sponsorship Package

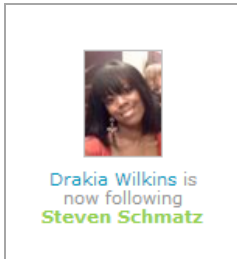

NEWBBLE

Live Out Your Startup Dreams!

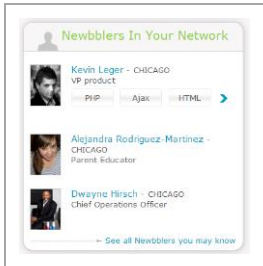

Our Platform

Connect Your Student Entrepreneurs

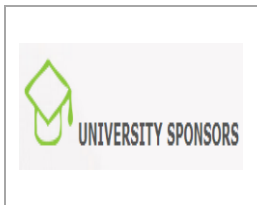

Newbble equips Student Entrepreneurs by guiding them at the most critical phase of their startup journey: The Start. They can sign up on Newbble.com and create a profile page for themselves and their startup idea. We built the technology that allow students to team up with students in their school.

Build Your Startup Ecosystem

Newbble allows all the players in Entrepreneurship: Student Entrepreneurs, Developers, Professors, Consultants, etc. at your school to directly connect through our platform. Thus, reducing costs of implementing programs to outreach to your entrepreneurial network.

Increase Your Outreach

Newbble users consists of Aspiring Entrepreneurs. By sponsoring Newbble, our community of Entrepreneurs will know that your school supports the growth of startups. Thus, potentially leading them to apply to your university.

Getting Started

Implementation

In order to successfully implement our partnership, Newbble will need to accomplish the following:

- Directly work with the different departments in your school.
- Send an email about Newbble.com for Student Entrepreneurs and Service Providers to sign up, in each department.
- Send a feature post of Newbble.com on university social media.
- Email university professors for Newbble Team to make an in-class pitch, for each department.
- Team-up with existing university “Entrepreneurial” related teams.

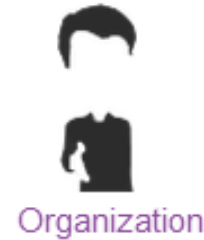

Newbble University Meetup

The Newbble Team will host its meetup(s) event at your university and will organized all the logistics related to the event. For each meetup, Newbble will send invitation to all its users. Thus, the university will be able to market its program to potential students. Each meetup will last 2 hours. During each meetup, the university will be allowed to bring promotional materials and address attendees for 15 minutes. No other competing sponsor will be able to attend the meetup(s).

A Newbble meetup includes the following (subject to change):

- 20 min - Networking (Includes Food/Beverages)
- 15 min – University Pitch
- 25 min - Startup Pitches
- 10 min – Winner Announcement
- 30 min – Speed Team Dating
- 20 min - Cleanup

Our Mission Statement

Newbble’s mission statement is to provide the ultimate startup experience to Early-Stage Entrepreneurs who do not know how and where to start with their business ideas. We offer a FREE social network that connects Early-Stage Entrepreneurs with their startup community to fund, build, and grow their ideas from scratch. When you join us as a university sponsor, your organization will be seen by all our users, thereby tying your brand to the transformative and valuable startup experience that is Newbble.
